

Involuntary Layoff Notification to Districts

I am requesting the following district(s) to be notified of my availability for employment for the 2010-2011 school year:

Name: _____ Building _____ Position: _____

Address: _____ Phone: _____

Certification: _____

Teaching Experience: _____

This is in compliance with Article 5.6 which states: "The Board will make an effort to find another teaching position for involuntarily laid-off teachers. This will be accomplished by sending a list of all involuntarily laid-off teachers to a reasonable number of district(s) specifically requested by a teacher."

Thank you,
