

MEA Day of Action Transportation Stipend

We have become aware of the limited availability of busses for the MEA Day of Action on May 21. In an effort to assist Councils in getting as many people to Lansing as possible, we are offering transportation stipends as follows:

A flat rate stipend will be given to drivers of vehicles who bring **themselves and at least 3 passengers** to the event –

- \$25 for drivers who have a 100 mile or more round trip.
- \$50 for drivers who have a 200 mile or more round trip.
- \$75 for drivers who have at least a 300 mile round trip.

Drivers need to submit a completed form (below) to their UD or Tom Ferris to be eligible for the stipend. (Only one stipend per vehicle.)
