

Covered medications with quantity limits

Our quantity limit (QL) program encourages safe medication use. Certain medications are available in limited quantities based on the FDA’s approved dosing guidelines. Talk to your doctor to find the right drug therapies that your health plan covers. All opioids are limited to a 90 morphine milligram equivalent per day.

Key

SC = subcutaneous, mg = milligram, gm = gram, mcg = microgram, ml = milliliter, IU = international unit Not covered: You may be responsible for the full cost of the medication.

Not applicable: Quantity limits may not apply.

Sample

Abilify MyCite = brand name

(aripiprazole) = generic name

This list is current as of March 7, 2024. It is subject to change without notice. If you have a question about any drug, call MESSA Member Services at 800.336.0013.

Note: Under Essentials by MESSA and Balance+, if a brand name drug has a generic available, the brand name drug is not covered and the QL applies to the generic version.

Medication	MESSA ABC Rx, Saver Rx and 3-tier Rx plans	Essentials by MESSA Rx and Balance+ plans
